

Project Brief

8400 West Intersection at 7800 South

**2007 Legislative
Update**

Provided By:

Project Description: CONSTRUCTION, Traffic Signal Installation, Intersection Improvements

This project calls for minor roadway improvements and installation of a traffic signal at the intersection of 8400 West (S.R. 111) at 7800 South. Construction began in fall 2006, with intersection improvements and paving. With the majority of the construction now complete, the signal will be activated early in the 2007 construction season.

**Commission
Approved
Project Budget:
\$440-thousand**

**Anticipated
Schedule:
Signal active - May 2007**
